Warrant for the Annual Town Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of South Hampton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said South Hampton on Tuesday, the 10th day of March next at two of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.
3. To raise and appropriate money for the support of Highways and Bridges.
4. To raise and appropriate the sum of \$1,500.00 for Stockman's Bridge.
5. To see if the Town will vote raise and appropriate the sum of \$138.53 necessary to secure State Aid for the permanent improvement of Class V Roads.
6. To see what sum of money the Town will vote to raise and appropriate for the winter maintenance of highways.
7. To see what sum of money the Town will vote to raise and appropriate for interest, insurance and Town Officers' bonds.

8. To see what sum of money the Town will vote to raise and appropriate for the Public Library.

9. To see what sum of money the Town will vote to raise and appropriate for Public Welfare.

10. To see what sum of money the Town will vote to raise and appropriate for the care of Cemeteries.

11. To see what action the Town will take in regard to real estate deeded to the town for non-payment of taxes.

12. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

13. To see if the Town will vote to raise and appropriate the sum of \$10.00 for Sibley Relief and \$10.00 for Col. E. W. Bailey Police Relief Association Fund.

14. To see if the Town will vote to raise and appropriate the sum of \$894.84 to pay for rebuilding Whitehall Road Bridge.

15. To see if the Town will vote to Raise and appropriate the sum of \$50.00 for legal expenses.

16. To see what action the Town will take on the recommendations of the Building Committee as voted at the Annual Town Meeting of 1952.

17. To see what action the Town will take in regard to dumping rubbish within 500 ft. of the highway.

18. To see if the Town will vote to allow the Collector of Taxes additional compensation for his services in collecting the State Head Tax and to fix the amount thereof.

19. To transact any other business that may legally come before the meeting.

Given under our hand and seal this 15th day of February in the year of our Lord nineteen hundred and fifty-three.

CHARLES N. DENNETT,
DONALD S. HELLEN,
HAROLD F. CURRIER,
Selectmen of South Hampton

A true copy of warrant—Attest:

CHARLES N. DENNETT,
DONALD S. HELLEN,
HAROLD F. CURRIER,
Selectmen of South Hampton

Budget of the Town of South Hampton, New Hampshire

Estimates of Revenue and Expenditures for the Ensuing Year January 1, 1953 to December 31, 1953. Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1952 to December 31, 1952.

SOURCES OF REVENUE

	Estimated Revenue Previous Year 1952	Actual Revenue Previous Year 1952	Estimated Revenue Ensuing Year 1953
From State:

Building and Safety Ordinance

TOWN OF SOUTH HAMPTON, NEW HAMPSHIRE

To promote the health, safety, convenience, and general welfare of the community by regulating and restricting the use of land and the construction of buildings thereon in the Town of South Hampton, the following ordinance is hereby enacted by the voters of the Town of South Hampton, New Hampshire, in annual town meeting convened:

ARTICLE I

Restrictions

All land shall be subject to the following regulations, restrictions, and conditions:

SECTION 1. No buildings or structure shall be erected, and no structure shall be altered to an extent affecting more than 30% of the total volume without the approval of the Town Building Inspector, to whom adequate plans and specifications of the proposed building or alterations shall be submitted. A fee of not more than \$1.00 shall accompany each application submitted.

SECTION 2. The Town Building Inspector shall base his approval or rejection of proposed plans upon the effect such operations are likely to have on the value and use of other property in the vicinity and upon the following schedule of requirements:

(a) Foundations shall be constructed of solid cement, brick, cement-block, or stone. Industrial structures and accessory buildings may be set on brick, stone, or cement piers.

(b) Chimneys shall be constructed of stone, cement, cinder block or brick to the ground, with fireproof flue

lining throughout; all entrances shall be of fireproof construction.

(c) Buildings must be framed according to good building practices and outside walls shall be constructed of wood, or fire resistant shingles, siding, clapboards, brick or stucco and all dwellings of material customarily painted shall be painted.

(d) Roofs shall be constructed of wood, fire resistant shingles, metal, or fire resisting composition.

(e) Every dwelling shall have a minimum ground floor area of 300 sq. feet for each family unit.

(f) Sewage: All dwellings and buildings in private or public use shall be equipped with cesspool, septic tank, sanitary chemical closet, or closed vault.

(g) Every building shall be set back from the front property line not less than 25 feet, or such distance as shall conform with the existing building line of dwellings within 500 ft, on either side, and all dwellings set back at least 10 ft. from side lot lines; except where a person loses buildings by fire or other cause, said person may rebuild on the same foundation within a period of one year.

(h) Butane gas or any other bottled gas shall not be stored in any dwelling, nor in any building nearer than 50 ft. from said dwelling.

(i) All gasoline storage shall comply with the N. H. State Law regarding such storage.

(j) Public or Private Buildings new or old may be inspected by the Fire Chief or any Officer of the Fire Department designated by him, if in the opinion of the Chief a fire hazard exists in said building.

SECTION 3. Nothing in this Ordinance shall prevent the occupant of property being granted a permit for the erection or alteration of structures to be used for the sale of farm produce or the expansion of established businesses.

SECTION 4. Building lots sold in the future shall have frontage of not less than 75 feet. All houses built in the future shall be built with a frontage of not less than 75 feet.

SECTION 5. Regulation governing Auto Courts, Camp Cars, Camp Grounds, Tourist Camps, Tourist Courts, Trailer Camps, Trailer Courts, Trailers, Coaches, Tents or other similar Conveyances or Abodes of Shelter as adopted under the authority of Section 1, Chapter 165, Revised Laws of New Hampshire, by local Health Officer and adopted by Board of Selectmen dated

ARTICLE II

SECTION 1. The restrictions contained in Article I, Section (a) to (f) inclusive, shall not apply in the case of the small dairy rooms, root cellars, poultry houses, farm and storage sheds, camps for temporary or transient use, and other similar small structures to be so located on the owner's property as not to menace the property of another. However, such building shall not become the permanent dwelling of any family unit.

ARTICLE III

Town Building Inspector

SECTION 1. For the purpose of this ordinance the Board of Selectmen, shall annually appoint a Town Building Inspector who shall perform the duties pertaining to his office as designated in the various provisions of this ordinance.

SECTION 2. The Building Inspector shall make known his decision within ten days from the date he received the application and he shall make inspections of all buildings in a process of construction and report any or all violations to the Board of Selectmen.

SECTION 3. The Town Building Inspector shall retain each application fee of one dollar which shall constitute full compensation for his services.

ARTICLE IV

Administration

SECTION 1. Applications and permits.

(1) It shall be the duty of the Board of Selectmen, and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

(2) The Board of Selectmen shall require that the application for a building permit include a plot plan and contain all necessary information to enable the Building Inspector to ascertain whether the proposed building or structure and its intended use comply with the provisions of this Ordinance.

(3) No building permit shall be issued until the Building Inspector has certified that the proposed building and its intended use comply with the provisions of this Ordinance.

(4) It shall be unlawful for any person to commence work for erection or alteration of any building or structure until a permit has been duly granted for such erection or alteration in excess of amount allowed in Article I, Section 1.

ARTICLE V

Board of Adjustment

SECTION 1. The Selectmen shall appoint a Board of Adjusters as provided in the Revised Laws of New Hampshire, 1942, Chapter 51, Sections 50 through 71 Inclusive.

SECTION 2. The Board of Adjustment shall have the following powers:

(1) To hear and decide appeals either by the applicant or other property owners in the vicinity where it is alleged there is error in any order, requirement, decision, or determination made by an administrative official in the enforcement of this Ordinance.

(2) To hear and decide special exceptions to the terms of this Ordinance.

(3) To authorize, upon appeal, in specific causes, such variance from the terms of this Ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardships, and so that the spirit of this Ordinance shall be observed and substantial justice done.

(4) The Board of Adjustment shall make rules as to the manner of filing appeals or applications for special exceptions or for variance from the terms of this Ordinance. A payment of the estimated cost of giving notice is herein required by the appellant.

(5) Upon filing an appeal or an application for special exception from the terms of this Ordinance with the Board of Adjustment, the Board shall fix a reasonable time for the hearing of the appeal or the application for special exception, give public notice thereof, as well as due notice to the parties in interest and decide the same within a reasonable time.

(6) The said notices shall state the location of the building or lot, and the general nature of the question involved.

(7) In exercising the above-mentioned powers the Board may, in conformity with provisions hereof, reverse or affirm wholly or partly, or may modify the order, requirement, decision or determination appealed from and may make such orders, the officer from whom the appeal is taken.

(8) The concurring vote of three members of the Board shall be necessary to reverse any action or administrative officials or to decide in favor of the applicant on any matter upon which it is required to pass under any such Ordinance, or to effect any variation in any such Ordinance.

ARTICLE VI

Amendments

SECTION 1. The regulations and restrictions, as provided in this Ordinance, may from time to time be amended, supplemented, changed, modified, or repealed by a resolution adopted at a regular or special meeting of the Town, setting forth the proposed amendments. A public hearing shall be held thereon, after notice as required by law, and prior to the Town Meeting at which the amendment is to be proposed. Such amendment shall not become effective except by the favorable vote of the majority of the voting members attending and voting at a regular or special meeting of the Town.

ARTICLE VII

General Provisions

SECTION 1. Plot plans shall be filed with the Building Inspector before work is commenced upon any development. Building lots must have a frontage of not less than 75 feet.

SECTION 2. Validity. Should any section or provision of this Ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of this Ordinance as a whole or of any part thereof.

SECTION 3. Interpretation. In interpreting and applying the provisions of this Ordinance, they shall be held to be the minimum requirements for the promotion of the health, safety, morals, and general welfare of the Town of South Hampton and its citizens.

SECTION 4. Penalties and Remedy for violations. Whoever violates any provisions of this Ordinance shall be punished by a fine not exceeding ten dollars (\$10.00) a day for each day of such violation.

SECTION 5. This Ordinance shall take effect immediately upon its passage.

FRANK A. ROBINSON,
Chairman

LESTER H. GIBSON,
GERMAINE P. SIMPSON,
ARTHUR MOORE,
DAVID R. TRUE,
Town Planning Board.

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of South Hampton, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March, 1953, at one o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, of Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize

the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business which may legally come before this meeting.

CORINNE W. MORSE,
SADIE EMBREE,
ARTHUR M. MOORE,
School Board.

CERTIFICATES:

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the South Hampton school district held March 15, 1952.

	MARION E. HOLMSTROM,
June 5, 1952	Clerk of the School District.

TO THE STATE BOARD OF EDUCATION:

I certify that the above is a correct statement of the financial proceedings of the district for the school year 1952-53, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board in accordance with N. H. Laws of 1951, Chapter 37, Section 2.

	CORINNE W. MORSE,
June 5, 1952	Chairman of the School Board.

Superintendent's Annual Report

To the School Board and Citizens of South Hampton:

It gives me a good deal of pleasure to submit this my third annual report, as your Superintendent of Schools.

At the expense of repeating myself, I want to congratulate the School Board and citizens of South Hampton upon the type of educational opportunities you are providing your young people. The high standing of graduates from the Barnard School is a measure of the type of instruction received in your school and the many extra educational opportunities offered by your teachers is well deserving of a word of praise from parents of the children as well as interested citizens. You are indeed fortunate in having teachers capable of carrying on such varying programs and it is certainly indicative of the effort your school board is making in maintaining such a high standard of instruction.

As part of this report, there is a page devoted to Return of District Revenue which shows the actual budget that the School District is using for the current year 1952-53.

Teachers

We were fortunate in securing Mrs. Amy Kimball, South Danville, N. H. as a replacement for Mrs. Virginia Rae who resigned to accept a position in Wellesley, Mass.

Mrs. Kimball is a graduate of Nashua High School and Keene Teachers College with post graduate work at K. T. C. and the University of N. H. She has had as previous experience, three years at the Eaton School in Danville.

Miss Rosemary Leombruno, Boston Conservatory of Music, 1952 was elected to replace Miss Anne-Marie O'Shea. Miss Leombruno's background in music has allowed her to fit very nicely into the type of music instruction required throughout the Union. She has proven to be very cooperative and a willing worker.

Testing Program

The Union wide testing program has again been carried on this year in grades 4-6-8. Grades 4 and 6 were given Mental Efficiency Tests plus Achievement Tests in Reading, Arithmetic and English. Grade 8 was given a battery of tests which included Interest Inventory, Mental Efficiency, Mechanical Aptitudes and Comprehensive Reading.

Mr. John Scanlan, Director of Guidance for the Union has been cooperating with the teachers in interpreting the tests and in applying the information received from the results. This will be covered in Mr. Scanlan's report to the School District so I will not attempt to go into that in this report.

These tests are in the hands of the teachers who will welcome the opportunity to sit down with parents for a discussion of their child's problems as indicated by the tests. It should be remembered that tests are not a cure-all, but are worthwhile only when they are tempered by the judgment of the teacher.

I urge all parents to avail themselves of the opportunity to sit down with the teacher or Mr. Scanlan and discuss their child objectively.

Guidance

Under the direction of Mr. John Scanlan, our Director, the Guidance Program is getting off to a fine start. This is the only such Union wide program in the state and its worth will be determined by the degree to which you parents and citizens avail yourselves of the

services of a professional guidance person. This is a program which has been proven of value in other states in the Union and should be of corresponding worth to the boys and girls of Supervisory Union 14.

Recommendation

It seems a shame that the children of South Hampton should have no playground equipment.

The older boys and girls can play baseball, softball and can organize their own games, but there is nothing for the little ones. I would recommend that a set of swings and teeter boards be purchased for the primary children. This would go far in solving an immediate playground problem.

In closing, I wish to express my appreciation to the School Board, Citizens and Teachers for the friendly and cooperative spirit shown me. It has been a real pleasure working with you.

Respectfully submitted,

LOUIS L. RAMSAY,
Superintendent.

STATISTICAL DATA

Report of Music Teacher

To the Superintendent and School Board, Citizens of South Hampton:

More than one hundred years ago, when music was first introduced in the public schools, the main accent in education was on the three R's.

Today, so much has been added to the elementary and secondary school curriculum; health, physical education, art, reading, arithmetic, science, thrift, character education, safety, dramatics, good citizenship, social studies and last but not least, music.

The aims of every music teacher are to obtain an appreciation and love of good music leading to the cultural development on the part of the child and to train the child in habits of concentration and thinking. We want all our children to love good music, to be intelligent when they sing or play or listen to music and we want each boy and girl to be given abundant opportunity for learning to sing or play or listen in accordance with the dictates of his inclination and capacity as an individual.

Music is primarily a group activity and is accomplished through songs, rhythms, records, games, folk dancing, rhythm bands and tonette groups of which all the children have participated in and enjoyed. We have experimented with square dancing in the first and second grades and found them to be done successfully and needless to say, the children have enjoyed them as much as their rhythm bands,

I feel that the music program in our schools, is running along very good lines, but couldn't be accomplished without the aid, help and encouragement received from the teachers, parents and students and so my sincere thanks to you all.

Respectfully submitted,

ROSEMARY A. LEOMBRUNO,
Music Supervisor.

Health Supervision

To the Superintendent and School Board, Citizens of South Hampton:

The physical examinations of all pupils were completed early in the year. Corrections of physical defects were made if possible. Along with this program much time has been spent with the physical observation of individual pupils. This was to help make adjustments socially, mentally, and hygienically. It is thought that this is the key to effective school and community action to improve health. Much group health education goes on informally in relation to day by day living at school.

I would like to take this opportunity to thank all who have made my work so pleasant. Their help, interest and cooperation is deeply appreciated.

Respectfully submitted,

CONSTANCE COOPER, R.N.,
School Nurse.

Guidance Director's Report

To the Superintendent of Schools, Members of the School Board and Citizens of South Hampton:

It gives me great pleasure to present my first annual report as Director of Guidance.

In these first few months a good start has been made in laying the foundation for a high grade program of guidance services for the pupils in grades one through eight. Under the supervision of Mr. Ramsay and working with the help and advice of Mr. Radasch, New Hampshire State Director of Guidance, the University of New Hampshire Guidance Department, and the Boston University Guidance Department; short term and long term objectives for the program were formulated.

A survey was made during the first week in September during which time the teachers in all grades were seen and asked in what way the guidance program could best meet the needs of their pupils. After this information was tabulated and analyzed, we set up our objectives.

The first objective for these early months was to set up an individual inventory for each pupil in the 8th grade. These pupils are faced with an immediate and important choice in their planning for a career, and more than any grade these pupils need guidance immediately. An individual inventory is an inventory of the pupil's assets and liabilities in the physical, mental, social, emotional, and spiritual areas of life. Over the years, this will be a record of his or her growth in these areas as well as a very specific and analytical record of his growth in the education skills. An important part of the inventory is the results of the University of New Hampshire battery of tests covering ability, interests, aptitudes, and personality. This first objective has been accomplished.

Using the inventory as a basis we are now in the process of counseling and guiding these 8th grade students in their next important step, their choice of an occupation for which they will start preparing in their four years of high school work.

In the process of the carrying through of this part of the program, 15 visits have been made to the schools. Each of the 8th grade pupils has been counseled individually at least twice more before June, or as many more times as is necessary in order that it is as certain as we can make it that he or she is making the proper choice.

It is necessary that these pupils should know what they can expect in their chosen occupation as far as the kind and amount of training necessary, personal requirements, aptitudes, special abilities required, salary, opportunities for advancement, etc. is concerned. This information will be given them.

An occupational information file is being set up. At the present time information on approximately 1100 different jobs is available. This file will be expanded to cover every possible need. We will make use, too, of the facilities of the state library in Concord.

The University of New Hampshire tests have been given. These standardized tests compare our pupils with thousands of other pupils in the same grade in the United States. Five 8th grade students were tested on twenty-one different attributes of personality. These tests are of immeasurable value in guiding students into the proper educational and vocational fields. Eight 4th grade pupils and three 6th grade pupils were tested on ten attributes of personality and growth in twenty-six educational skills. The attributes scores are valuable in diagnosing for the guidance of these pupils and the growth in educational skills scores are of great value in aiding the teacher to see those skills in which the pupil needs more help. Three individual tests were given to pupils upon

whom certain specific information was needed so that factors which were slowing down their progress might be brought to light and rectified.

Before the year is completed the 8th grade students will be given a short intensive course in "Choosing A Career". In other words they will be given every possible aid so that they will be pointed toward the position for which their abilities, aptitudes, and personality fit them.

A follow-up study of our graduates and drop-outs will be made in order to evaluate the success of our school training and the guidance program. When the 8th grade students have been properly served by the guidance program, an individual inventory will be set up for each pupil in each grade, starting with the first. This inventory will follow the child from grade to grade. At present our testing program starts in at the 4th grade. We would like to extend this down to the first grade.

A very important part of any guidance program is the help which a counselor can give to those pupils who are not adjusting well to the school and who are not making the progress of which they are capable. Through tests and counseling interviews, it is very often possible to find the reasons for the pupil's poor progress and to help him, or her, so that they may be happier in school and able to take advantage of its benefits. The success other guidance programs have had in this particular area have been quite remarkable. One South Hampton student is being helped in this way.

An adult education course in the training of children and the proper handling of their problems has been given in February and another will follow in the spring, if there is a call. When school closes in June, the facilities of the guidance office will be available to out-of-school members of the community. It is hoped that

many adults will take advantage of its testing, counseling, and consultation services.

I feel that we have made an excellent start and look forward to great accomplishments in the remainder of this year and next.

Respectfully submitted,

JOHN A. SCANLAN,
Director of Guidance.
